This monthly flier and our quarterly newsletter are written by members for members with information about health care costs, job classifications, paychecks, retirement and protection from unfair labor practices; kitchen table issues that are so important to each of us and our families.

MEETINGS

EDCEA, Local #1 has a Board of Directors (BOD's) that meet on a monthly basis along with EDCEA staff, on the first Tuesday of every month with occasional exceptions. All meetings are held at the Union Office in Placerville with quarterly meetings held in South Lake Tahoe.

We want this flier to be accessible to everyone, so with that thought in mind; you will be able to receive this information flier in various formats: paper, text, on the Local 1 website and the Local 1 Facebook page. We are hoping that we can reach every member.

Remember that we are a work in progress so we look forward to hearing from you about topics you are interested in, things we can do better, and stories and articles you think we should share.

This is OUR Union. Every Voice matters. Your VOICE matters!

Did you know?

- The County is trying to split us apart so they can get rid our Union? Think about what your benefits would look like if the Union wasn't there to fight for you.
- AFSCME will be able to get a professional negotiator to join our Negotiations team. WE will need lots of help as the County is looking to attack our Health Benefits and Retirement.

What can you do?
